Dear Customers,

We, at California Oils Corporation, are sensitive to activities and practices in the oil palm industry that affect our environment and wildlife and we believe in the production of palm oil and its co-product palm kernel oil in a sustainable manner.

To that end, we support the mission of the Roundtable on Sustainable Palm Oil (RSPO); a non profit association that works to promote the growth and use of sustainable palm oil through cooperation within the supply chain and open dialogue between its stakeholders.

California Oils Corporation is a member of RSPO and a certified supplier of RSPO Certified Sustainable Palm Oil (CSPO). More information on RSPO and CSPO can be found on www.rspo.org

We currently source all our palm and palm kernel oils from suppliers based in Malaysia who are also members of RSPO and certified suppliers of RSPO CSPO.

We trust that this certification meets your need for information about the sourcing of palm and palm kernel oils by California Oils Corporation.

Sincerely,

California Oils Corporation
